For Immediate Release:

Spring train excursion through Smoky Mountains and the Nantahala Gorge proves to be a long-awaited event.

Jonesborough, TN March 18, 2021

The Watauga Valley Railroad Historical Society & Museum has scheduled a spring rail excursion on the Great Smoky Mountain Railroad. The trip originates in Bryson City, NC and rides alongside the beautiful Tennessee and Nantahala Rivers. This 4½ hour roundtrip excursion carries you 44 miles to the Nantahala Gorge and back again.

Seats are being filled quickly as this is the long-awaited return of the WVRHS&M to rail excursions in the Smoky Mountains. Yes, Covid protocols are still in place, but there is no better way to experience the springtime in the mountains than an exciting train ride.

The date of the trip is Sunday May 16, 2021. For more information and tickets visit the Society's website at <http://www.wataugavalleynrhs.org/> or call Mike Tilley at (423) 335-1100
